

Scholarship Program For Medical Students

Introduction

With an intention to reward talented and expert medical students, the Calischoice Scholarship introduces its Medical Student Scholarship Program. Our scholarship is for all medical students in the USA, Canada, UK, and Australia, who have enrolled in a full-time degree or diploma course at a recognized university in the following countries.

About

Escondido plumber announce the Calischoice Scholarship Program every year in order to promote medical talent and skilled professionals in the field. Our scholarship program offers financial support to let aspiring medical experts able to complete their studies without experiencing any monetary constraints. Our judges assess each application based on the expertise and in-depth information shared by the students in their project. To get considered, students need to meet all eligibility requirements.

Benefits

- 🔥 This is a golden chance for the winners to learn skills from medical experts across the world.
- 🔥 Students can develop skills to further enhance their professional career as a medical expert.
- 🔥 Students have to submit us complete projects which will be assessed by a panel of judges based on their expertise, knowledge, and overall experience.
- 🔥 Our scholarship lends monetary support to students from underrepresented groups to enter into the medical profession without experiencing financial issues.

Eligibility Criteria

The applicant should:

1. Be 18 years or above.
2. Have enrolled or planning to enroll for a graduate or postgraduate course (MBBS, MD, MS, etc.) from an accredited college/institution/university.
3. Have completed high school / secondary school education.
4. Have completed at least one term of the medical course in college/university.
5. Be the citizen or permanent resident of UK, Australia, USA or Canada.
6. Not be a college dropout.
7. Not have a time gap between graduation and post graduation course.
8. The winners are announced online on our website <https://www.calischoice.com> by 31st May of every year.

Application Process

To apply for a medical scholarship program, you need to submit a case study which you have experienced and includes innovative ideas helping to improve the health and well-being of the humans.

This case study can be in the form of pdf or video, which includes content in the form of text and images.

You are supposed to email this case study on jacqueline@calischoice.com before 15th May of every year.

Please note that your application may have a negative impact if you try to communicate through other phone numbers or email ids mentioned on our website.

Besides the above-mentioned case study, you also need to email us the below details:

- Name
- Contact Details
- Address
- Student ID Number
- Name of the College/University
- The Course of Education Enrolled or Planning to Enroll

After receiving the details and case study from your end, our panel of judges would select the winners who would be notified through our website on 31st May of every year. The decision of the judges would be final, and no explanation would be given regarding that matter.
